

## Year 7 Assessment Grid: Art & Design

Emerging	Developing	Secure	Excelling
Work shows <b>basic</b> presentation skills with little thought	Work shows <b>some developing</b> skills in presentation.	Work shows <b>developing skills and thought</b> in presentation	Work shows <b>developed skills and thought</b> in presentation
Observations are <b>undeveloped</b> with <b>limited</b> detail.  Shows <b>limited ability</b> to use media or techniques to record in different ways: drawing, painting and other forms	Observations show some straightforward development with some basic details.	Observations show developing accuracy and detail.	Observations show accuracy and detail.
	Shows <b>some ability</b> to use media or techniques to record in different ways: drawing, painting and other forms	Shows <b>some ability</b> to use media or techniques to record work in different ways: drawing, painting and other forms	Shows a <b>consistent ability to</b> record work in different ways: drawing, painting and other forms
Research collected is <b>basic</b> and <b>some</b> information or images are <b>sometimes not</b> relevant	Research collected is <b>straightforward</b> and the <b>majority</b> of the information and images are <b>appropriate</b>	Research collected is <b>appropriate</b> and <b>quality</b> information and images are selected.	Research collected is <b>effective</b> and <b>quality</b> information and images are selected
Design ideas are <b>under developed</b>	Design ideas are partially developed	Design ideas some individual input and some development	Design ideas are <b>individual</b> and <b>developed</b>
work shows <b>no</b> refinement.	work shows <b>some</b> refinement.	work shows <b>developing</b> refinement.	work shows <b>clear</b> refinement, ease and control.
limited use of artists in planning of ideas.	some use of artists in planning of ideas.	Makes reference to relevant artists in planning of ideas.	Makes clear reference to relevant artists in planning of ideas showing some level of detail
Knowledge  Can recognise some symbols used in art to express the feelings and the meanings of it  Recognises some art is made in different styles and times	Shows some understanding that different symbols/colours can mean different moods and thoughts in a piece of art	Shows developing knowledge that emotions and moods are used in art to express messages.	Shows a <b>developed understanding</b> that emotions and moods are used in art to express messages.
	<b>Knows</b> that art can be made in different styles and times	<b>Understands</b> how art is separated in different <b>movements</b> and can name some	<b>Understands</b> how art is separated in different movements and can <b>describe some</b> of these well.
Can talk about their strengths and weaknesses in their work and the work of others	Can evaluate work in a straightforward way and give feedback on basic strengths and weaknesses	Evaluation of work is <b>methodical</b> and <b>provides feedback</b> on strengths and areas for improvement	Makes <b>appropriate and helpful evaluations</b> of work of their own and others
Knows <b>some Art key words</b> but struggles to use them within written work.	Work is analysed using <b>some understanding</b> and <b>appropriate</b> use of Art key words within written work.	Understands and uses a range of Art key words within written work.	Understands and uses Art key words in a convincing way.
Can <b>explain if they like</b> a piece of artwork or not	Can <b>explain if they like</b> a piece of artwork or not, <b>and express why</b>	Can <b>express an opinion</b> about a piece of work <b>linking its relevance</b> to the project through the <b>influence of others</b>	Can express an <b>independent</b> opinion about a piece of work <b>linking its relevance</b> to the project
	Work shows basic presentation skills with little thought  Observations are undeveloped with limited detail.
