21 January 2021

Dear Parents / Carers

Re: Pathways Evening

As I am sure you are aware, we were scheduled to hold our Pathways Evening for Year 9 students on Thursday 28 January. Unfortunately, owing to Covid restrictions, it is no longer possible to host the evening we had planned; however, we know how important this evening is in helping our students and you as their parents and carers, to understand the options process. Therefore, I am writing to assure you that we are here to support both you and your child, as well as outline the alternative arrangements we have put in place.

On Thursday 28 January, Mrs Stamford, Deputy Headteacher, will be posting a video on both our Website and Facebook page to explain the options process. She will clearly outline what will happen throughout, including how students should make their choices and what they can expect once they've done this. Following this, over the course of the week, departments will be posting course information and accompanying videos on every subject we offer for study. This will give you and your child an opportunity to see what each subject entails, consider which are of interest to them and help you support them in making an informed choice. Having studied the course information, should you have any specific questions for staff, you will have the opportunity to leave your details and the relevant member of staff will contact you.

At the end of this process, should you have any further questions, there will be an opportunity to raise these with a member of the senior team.

We trust that this letter reassures you and look forward to the launch of our alternate options event and your support with it.

Yours sincerely

Mrs G Rogers
Assistant Head - Curriculum
