HOME SCHOOL AGREEMENT

We believe that children learn most effectively in a secure, happy environment, where both home and school work together to support the child. To strengthen the sense of partnership which already exists, we are now offering a partnership agreement to the parents/carers of our new students and our new students themselves.

As a school we offer:

- To help your child reach his / her potential
- Equality of opportunity to each student; a broad, balanced curriculum
- An environment which supports a high level of achievement
- A supportive tutorial system
- Regular communications with parents
- A Behaviour for Learning Policy with clear expectations for student behaviour
- High levels of attendance and low truancy rates
- A uniform for students in Years 7 to 11, and a dress code in Years 12 and 13
- A wide range of extra-curricular activities

We ask you as parents/carers to:

- Encourage your children with their work
- Spend time talking about and looking at work
- Attend parents' evenings
- Make sure your child comes to school in correct uniform and with the appropriate equipment
- Check your child's homework diary and ensure that homework is completed and handed in on time
- Support the school's Behaviour for Learning Policy, including good behaviour at lunchtime
- Communicate with school if there is any matter of concern where we could benefit from information regarding home circumstances e.g. change of address
- Inform us when you know that your son / daughter will be absent, for example, medical visits
- Take family holidays during the school holidays

We ask you as students to:

- Wear your school uniform with pride
- Come to school with the appropriate equipment to learn
- Arrive on time for school and all your lessons and attend every day
- Tell somebody if there are things that are worrying you
- Come to school with the right attitude for learning

It is important in a rapidly changing world that children have a sense of security. This document is an attempt to add to that sense of security.

For your child to succeed we need your support and agreement, please complete, sign and return this agreement to us.
