Headteacher: Mrs Sarah Bone

SCHOOL SPORTING FIXTURES

Please help us by reading and signing this form so that if your son/daughter/ward is selected to play for a team throughout their time at Headlands School, we have your permission.

Fixture Dates/Parental Permission

Although a provisional fixture list is available for most teams this does tend to change, sometimes at quite short notice due to such factors as the prevailing weather or cup fixtures. Due to these changes, it has been our practice to trust students to keep you informed of dates, times and venues and to tell us of their availability for matches. Lists are posted outside the PE Office. You can also confirm details, if necessary, by telephoning the school office during the school day.

This arrangement allows us to run the maximum number of teams and events with the minimum of cancellations. We would like to continue the system and we would be grateful if you would give your permission for your son/daughter to take part in this way.

Supporting School Sports

Thank you for taking the time to provide this support for school sports by completing the form below. Please notify us of any temporary injury or illness which may affect the sport concerned.

It is the responsibility of the student to provide their own full kit for the fixture unless told previously by a member of the PE Department.

We would also ask that you remind your son/daughter of the importance of good behaviour at all times when representing the school.

We look forward to meeting many of you at fixtures over the year.

I have read the above information about School Sporting Fixtures and I give my permission for my son/daughter to take part in Sporting Fixtures including those away from the school site.

I understand that communications about fixtures may be verbal and that I may check these with the School Office during the school day.
