

ABOUT ME

My name is Luis.
I used to go to Headlands and now I am a police officer.

ABOUT MY JOB

After finishing Sixth Form, I gained a job in the police force. I have now completed all 30 weeks of my training and work as a Police Constable in Bridlington.

My role as a police officer is to prevent crime, protect the community and deal with members of the public whenever they're in need of help or assistance. My job also involves arresting people who have broken the law to maintain law and order within the community. You get a great sense of pride when you help victims and make them feel safe again.

SCHOOL RESULTS

I left Headlands in 2018 with nine GCSEs and three A-Levels.

FAVOURITE MEMORIES

One of my favourite memories from Headlands School was the PE football tour to Milan. We played against other football teams from across Europe and visited the San Siro stadium to watch AC Milan play.

WHAT I DID NEXT

I applied for the police force and went through all their testing and training, which took a very long time, but now I am doing the job I have always wanted to do.

MY ADVICE TO STUDENTS

I'm so glad I got my head down and worked to get my grades, otherwise I wouldn't have the job I have today.
A few years of working hard can really make a difference for the rest of your life.
