Headlands School - Sixth Form Transition

As you are aware, to ensure our students can make a smooth transition into Headlands School Sixth Form, will be holding transition weeks for Year 11 students that have applied to join us in September 2021. Crucially, the main reason for these transition weeks is to ensure our teachers can fully support our students academically as they bridge the curriculum “gap” between their GCSE and their A’ Level courses.

Ultimately our aim is to ensure that come September, our new Year 12 students feel confident in their working knowledge of their academic courses and have an understanding of the learning expectations the exam boards have of them, so there are no “surprises.”

The transition weeks will take place between Monday 21 June 2021 and Thursday 8 July 2021.

As a result, please find enclosed the timetable for the 3-week transition period. Each week is not identical to the last due to guest speakers, trips, or personal, social, health education lessons.

Between lessons, students are encouraged to use the facilities in the Sixth Form to complete transition work and to experience Headlands School Sixth Form life for themselves. Students should arrive on site by 8:30am and are free to leave after their final session of the day, provided they sign out at the Sixth Form Reception.

Any days that a student does not have any sessions they have the choice of attending and using the facilities here, or not. In this instance we would require a phone call on 01262 676198 EXT 243 before 8:30 am to inform us of planned absence.

Any applicant that is unable to make the in-person sessions due to other commitments will have access to all resources and transition work via Google classrooms. The teaching team and I would expect assignment work to be completed and submitted by Friday 16 July.

Finally we will look forward to seeing you all again on Monday 21 June. Please report to the New Block Playground at 8:30 am.

I sincerely look forward to welcoming you into Headlands School Sixth Form.

Mr B Cooke

Assistant Head - Sixth Form
