ISSUE **39** FRIDAY, JULY 23rd 2021

Headteacher's message

Despite the challenges this academic year has brought our school community, as we look to reflect back over the year, there are many reasons to celebrate.

Whilst last Friday was dominated by COVID-19 issues in school, it was also a significant milestone for our Year 11 and Year 13 students as it marked the end of our consultation process with external exam boards and we are delighted to report all our student evidence was accepted as suitable.

The robust procedures the team here at Headlands School had put in place were therefore judged to be secure. We are now looking forward to Exam Results Days in the summer holidays.

A reminder these dates and times are:

Year 13: Tuesday, 10th August, 8.30am

Year 11: Thursday, 12th August, 9.00am

Results will be emailed to student school email addresses directly at these times.

Another celebration point is that despite the odds, 100 of our students have achieved 100% attendance to school (noting COVID-19 absence doesn't count in this calculation). This is a huge achievement and one which will be rewarded.

On average, our overall school attendance for this academic year is 94%. This compares to the national secondary school average as of 15th July, at 67%.

This outcome has not happened by chance but is a reflection of the strong commitment parents and carers have to their child's education, coupled with student's enjoyment of excellent teaching and learning experiences, a coherent and responsive

curriculum offer, and a strong safeguarding culture at the school.

Students in current Year 10 have had the most disruption due to COVID-19. This is also the picture nationally.

The Fisher Family Trust Education Datalab reported this week that Year 10 had the highest absence rates across the country.

Despite the challenges posed by significant periods of self-isolation the following students in Year 10 have stood out as making exceptional progress this year. They are:

- Kira Farkas ● Bradley Atken
- Jess Thorpe ● Luke Pilling
- Jamie Holland ● Sian Beswick
- Poppy Massey ● Ellie Heywood
- Coby Scotter ● Charlotte Anderson

Year 12 have also had periods of self-isolation this year and having had a tough Year 11 as well, they have all worked incredibly hard

this year. Notably the following students have shone:

- Jess Train ● Patrick Philpot
- Mike Su ● Leyla Cox
- Jack Brooks ● Lexi Dimitri
- Jack Organ ● Robyn Bannister
- Louise Fawcett ● Amelia Holmes

Finally, in appreciation of the reality that all of our students have had to live through extraordinary times this year at some point in the next few days they will receive a little gift in the post from us.

It's the least we could do and we hope it truly brings a moment of happiness into our students' homes as they officially start their summer holidays.

Stay safe and well,

Sarah Bone

"I'm worried I'm so behind."

"It's incredible you've got this far."

Goodbye and good luck to our colleagues

The end of the school year is always a time of mixed emotions, where we not only celebrate achievements but also say goodbye to some of our colleagues.

This summer we say farewell to Mrs Nind, who has been part of Team Headlands for many years, and

worked with thousands of our students in that time.

Thank you for everything you have done for the school and our students. We'll miss you.

We also say goodbye and good luck to Sam McCann, who joined us in

Summer 2020 and is pursuing his dream job, working as a sports coach abroad, and Dawn Gregory, who joined as a senior science technician in 2013, and is retiring to spend more time with her grandchildren.

Best wishes to all of you.

Contact Tracing Journey

For children and young people in education and childcare settings

IMPORTANT: If, at any point, a student, pupil or staff member begins displaying symptoms they must follow government guidelines, order a PCR test and self-isolate.

Signpost to other advice:

- Support if you're off work while self-isolating: <https://www.nhs.uk>
- If you're worried about your health, visit <https://www.nhs.uk> or call 111.
- Remote learning advice: <https://www.gov.uk>
- Printable advice for schools/colleges for children with symptoms.

All positive COVID-19 cases should now be reported to NHS Test and Trace to undertake contact tracing.

You can register your lateral flow tests at www.gov.uk/report-covid19-result.

NHS Test and Trace will work with families to identify close contacts and inform those contacts who they view need to isolate.

If you could, out of courtesy, let the school know we would appreciate it.

During school hours please contact the main office via telephone or email admin@headlandsschool.co.uk
