ISSUE **8** FRIDAY 5th NOVEMBER 2021

Headteacher's message

Another very busy week here at Headlands School.

Our Assembly Focus this week has been Careers and has been led by Mr Stamper (Assistant Head - Community). This has been a great opportunity for students to have a flavour of the range of careers activities on offer at Headlands School to allow our students to make informed decisions in the future. Indeed this is just one example of how our students are regularly inspired to think about their future careers. On the back of all the work Mr Stamper has led in this

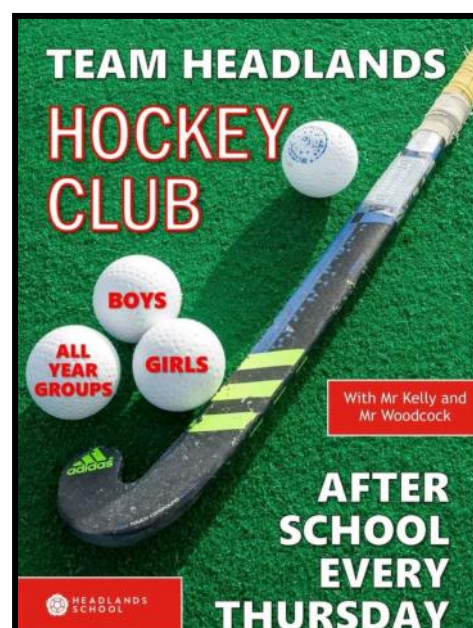

area of our work, I am delighted to announce that we have recently been awarded The Quality in Careers Standard by The Hull and East Yorkshire Local Enterprise Partnership. Indeed the evaluation assessment described our practices as "Outstanding." A great result for everyone here at Headlands School.

Next week our Assembly Focus will be Remembrance Day. These Assemblies are always poignant and a collective moment for us all to reflect on the events of the past and commit to making sure we all share a responsibility in

creating a better future for our world.

Stay safe and well,

Sarah Bone

STARTING 2ND OF NOVEMBER

This great artwork belongs to a Year 7 student, Rose Hodgson. This work is outstanding for Year 7, it demonstrates a high level of skill, creativity and thought process. The year seven students are studying artists of the earth, Guerra and De La Paz, as inspiration and population in our seas as a theme. Rose has understood the artist's technique incredibly well and has been very resourceful in creating the effect as closely to their work as possible. Well done, Rose I am very proud of you for taking time to make this artwork so creative.— Mrs Allott

Charlie Pallister (Year 10) made some beautiful desserts that had to incorporate fruit, blueberry, honey and mascarpone crostini's! Well done Charlie! - Miss Spiers

Careers Corner

Mr Stamper has been talking to students this week in assembly about aspirations and the support that is available to students to help achieve their career goals. It would be fantastic if parents/carers could keep this discussion going at home.

Key events this year:

Whole school Careers Fair (26 January 2022)

Year 9 options process (ongoing)

Year 10 Work Experience (June 2022)

Year 11 Mock Interview Day (6 December 2021)

The careers page on the school website is full of information (<https://headlandsschool.co.uk/careers/>) as is the Careers Google Classroom (code: auz5ijv).
