ISSUE **15** FRIDAY 14 JANUARY 2022

## Headteacher's message

I would like to start this week's edition of Headlands Headlines by thanking Mr Fairlamb for "making it happen" in terms of our Rewards visit to the Cinema! A big relief all round that despite the challenges of Covid-19 over the last couple weeks we were still able to staff this Reward event and celebrate the hard work of our students.

Last week we had Year 9 Parents Evening and our Parents Evening Questionnaire feedback would suggest it was another productive and positive event. A reminder, our Year 9 Options Evening is virtual this year and will take the format of online videos which will be released on 20th January 2022. Any questions in respect of Year 9 options please contact either Mr Wilson

(Year Leader for Year 9) or Miss Roberts (Assistant Head - Assessment, Timetable & Data).

Last Saturday Owen Grainger in Year 10 made his under 18 debut for Leeds United FC against Sunderland FC at Sunderland's pitches. This makes Owen the 2<sup>nd</sup> youngest goalkeeper to ever feature in the U18 Premier League. Great achievement Owen, we are all super proud of you!

In Assemblies this week I have thanked students for their hard work and determination in 2021 and the importance of the discussions we had just before Christmas in respect of their Academic Progress Reports. These meetings with members of the Senior Leadership Team are incredibly powerful and really do ensure students here at

Headlands School have "voice" in the direction of travel of the school. As a result of these discussions, one outcome will be a revamp / refresh of our school Rewards System. We aspire for it to be even bigger and better in 2022. As a result, Miss Brown (Deputy Head) and Mr Stamper (Assistant Head Community) will be consulting with students and parents / carers in the Spring Term to help ensure our Rewards System is simply amazing, like our students, in 2022.

Stay Safe and Well,

Mrs Bone

## Geogra-fun!

Geogra-funners out in force after school on Wednesday litter picking around the school field on a lovely sunny afternoon. Lots of drinks bottles and sweet packets picked. Please remember to put your litter in the bins to keep the school fields nice for us all! Thank you and well done Archie, Oliver, Tom and Summer.—Mrs Malarkey

## Careers:

The Team Headlands Careers Google Classroom is suitable for all year groups and is updated every week with links to videos, motivational talks and toolkits to help students decide on the right career for them. We would encourage parents to take a look with their children at the resources. The code is auz5ijv.
