ISSUE **16** FRIDAY 21 JANUARY 2022

Headteacher's message

This week has seen an array of extra-curricular activities taking part at Headlands School. From rugby, to gymnastics, to Panathlon, to skateboarding through to STEM Club and Cookery Club there has been something for everyone. Indeed on Thursday we also hosted a Theatre Performance of "A Christmas Carol" for all of Year 11.

Thank you to Mrs Adams for organising this opportunity for Year 11 to help prepare them for their forthcoming GCSE examinations.

Year 9 have started in earnest their GCSE

Options process this week. Following on from an Assembly led by Mrs Stamford (Deputy Head - Quality of Education) students were provided with Curriculum Information booklets to support their decision making. A polite reminder, the deadline for returns is Wednesday 16 February 2022. So it really has been a busy week!

Next week is also filled with a variety of different events. On Monday we will host "Prison me No Way" for Year 8 and on Wednesday is our whole school Careers Fair. Reverend

Pollard will also be in attendance next week leading Assemblies. The theme of his

Assemblies will be Holocaust Memorial Day which is commemorated on Thursday 27 January 2022.

Finally, could I close by sharing with you some amazing images of students taking part in the Panathlon. Speaking to the primary school participants they all had a wonderful time and we will very much look forward to welcoming them back to Headlands School very soon. A big "thank you" to our Student Sports Leaders who were simply brilliant!

Stay Safe

Mrs Bone

ISSUE **16**

STEM Club

This week in STEM club. The students were challenged to build a bridge between two boxes using only 7 sheets of paper and 50cm of tape. Many designs were tested, but there was one clear winner, easily holding 26 copies of the Martian!

If you like a challenge, join us at STEM club in room 45 on a Wednesday after school.

Careers Corner

The Team Headlands Careers Google Classroom is suitable for all year groups and is updated every week with links to videos, motivational talks and toolkits to help students decide on the right career for them. We would encourage parents to take a look with their children at the resources. The code is auz5ijv.
