FRIDAY 4 FEBRUARY 2022

Headteacher's message

Over the last week we have gathered feedback from the organisations and individuals who supported our Careers Fair last week. Comments include:

I was so impressed with your learners. In particular I would like to thank the ones who helped with the management of the day. They were a credit to the school and demonstrated a high level of confidence and communication

We found students at all stages to be very polite, engaged and interested, and had some meaningful conversations which I hope were helpful.

Students were very polite, engaged and asked some excellent questions - they were a credit to the school! Absolutely worth all the hours that go into organising such an event to ensure our students have an "eye" on their future careers.

Whilst on the subject of careers, we are currently advertising, about to advertise, for the following Job Vacancies:

- * Experienced teachers of English, including Lead Practitioner of English due to the growth of the school and promotion of previous post holders
- * Leading Learners to support our students in the classrooms
- * Male Learning Tutors, again to support our students in the classrooms
- * Support Service Assistant to work within our brilliant team in the Main Office and Student Services area

Should you require more information please contact our Director of HR, Mrs McCann either via the main office or email tracy.mccann@headlandsschool.co.uk or go to the schools recruitment pages on the schools website at headlandsschool.co.uk/about-the-school/recruitment/

Next week we move into our 2nd week of Year 11 and Year 13 undertaking their Mock Examinations. Feedback from Exam Invigilators and the Senior Team has been that students have really applied themselves well, and whilst some have had some understandable pre-exam nerves, they have all given 100%. One more week to go. Thank you to parents / carers for continuing to support students in their studies with their revision outside of school hours.

Finally congratulations to our Year 13 students who have now all completed their University applications and many are now in a position to be actually receiving offers. Exciting times for the future!

Stay safe and well,

Mrs Bone
