

Student Council Minutes  
Week Beginning 9 May 2022

Agenda Rewards

Reds Shop

- More food vouchers, overall wider range of vouchers (e.g. Primark)
- Use Reds to have an extended lunch/break
- Pay for part of a trip using Reds

Rewards Assemblies

- No year 7 photos!!
- Good to be rewarded

Stamps

- Reds equal less stamps (increase stamp value)
- Be awarded stamps for picking up litter, tidying up their mess in the canteen, saying “good morning” or “good bye” to the member of staff on the gate; holding doors open.

Character Card

- Now introduced after feedback from Student Council
- Only 70-80 people a week getting a card (each teacher has a card a week to give out)
- Hand in to Student Services at the end of the week and trade for Reds or something from a box of items.
- Make sure cards are given to only those who have done something that goes above and beyond

Questions to Continue Asking

- What other things should people be rewarded for?
- Some people who have no behaviour points are not being rewarded, so is it sometimes done at random (question more for SLT staff who sort rewards)?
- How much should 1 Red be worth?
- What is the value of a Super Stamp?

Other Notes

- 1 stamp = 1 red = ?p (if 3 stamps per lesson are given out on average to each person, then this needs to be a value that is not too high - so school can afford it, but also not too low so it is still a reward).
