FRIDAY 30 SEPTEMBER 2022

Message from Mrs Stamford

On Friday night last week, I had the absolute pleasure of attending Headlands Sport's Awards Evening. This was a fantastic event where we celebrated a variety of successes from students of a wide range of talents and abilities. The students were absolutely brilliant and are not only talented in sport, but their dance moves are pretty spectacular too! Hopefully you have seen some of the wonderful photographs of the evening shared on our social media pages.

Next week we are launching "Over to Me" in lessons. This is a time dedicated to building resilience and stamina in

completing challenging work which will be completed independently. We have been teaching the students that "learning is very much like exercise; if there isn't some struggle involved, it won't work that well!" We are trying to teach our students that making mistakes is part of our learning journey and not to be afraid to make those mistakes as they help us learn. We are really excited to see what our students can achieve during the "Over to Me" opportunities.

Just a reminder that I wrote to you last week about the logistical changes to lunch time arrangements. The following

changes will take place from Monday 3 October 2022:

BREAK	YEAR GROUP
9.50-10.05am	8, 10, 6 th Form
10.50-11.05am	7, 9, 11

LUNCH	YEAR GROUP
12.05-12.45pm	8, 10, 6 th Form
1.05-1.45pm	7, 9, 11

Next week there will be some changes to year 7 groupings. Now students have settled in we want to ensure that students are in the right groups and are receiving the correct level of support for their individual needs.

Mrs Stamford
Head of School

Mrs Bone's Newsflash

On Tuesday we welcomed our Pickering Town Academy students to School and it was fabulous to see our Year 7 students positively engaged in a range of sporting activities in the glorious sunshine on Tuesday! Thank you to Mr Chapman for organising this.

Over the course of the last few weeks we have been carrying our Subject Reviews in Sport, Performing Arts, English, Religious Studies and Modern Foreign Languages. These Reviews are an opportunity for us to review the quality of provision on offer, celebrate where

aspects are going well and also reflect on where our practice could be even better and shape future plans. Student Voice is a prominent feature of these Reviews and their abilities to articulate their experiences in School are always brilliant!

This week I completed my training to become a Duke of Edinburgh Award Verifier. This is a pivotal point in our journey to re-launch our Duke of Edinburgh Scheme. Having led and taken part in the Scheme from Bronze through to Gold, I know first hand how life changing this Award can be and am

delighted we are able to offer this Award once again to our students.

Tonight I will be attending the Lord Feoffee's Annual Dinner. Over my time at Headlands School, our students have benefited greatly from the support of The Lord Feoffees Charitable Funding and Scholarships. It is therefore a privilege to have been invited to take part in this Annual event and celebrate their work over the course of the last year.

Best wishes,
Mrs Bone

Pickering Town Sports Morning

On Tuesday, the Year 13 students from the Pickering Town Scholarship delivered "Pickering Town's Sports Morning" to the 7X half. This was filled with fun activities such as: Football, Tag Rugby, Tug of War, Standing Long Jump, Speed Bouncer, Dodgeball and finished off with relay races. It has to be said that it was a great morning and enjoyed by all, the Year 7's behaviour was excellent and the Pickering students stated how pleasant they were and how much effort that they put in!! As this was a morning FULL of competition, it was the RED team that came out on top and have all been awarded SUPER STAMPS for their commitment and determination throughout the morning. Thanks for all of your hard work Pickering students, you are a credit to the School! - Mr Chapman

Art Visit

We were lucky enough to be visited by media artist, Mark Parry this week. Mark came from Newcastle to invite our students and staff to be a part of an exciting light and sound installation that will be displayed at Bridlington's Artwave festival on 5 and 6 November.

It was a brilliant opportunity for our students to work with a professional artist and see how his artform is very much based around the science of light. He is very keen for his art to be an immersive experience that people can interact with and have their own insights into.

A selection of art and drama students were involved in creating audio recordings that will be edited together to create the sound to go alongside his light installation. All students spoke eloquently and descriptively throughout the morning. We were certainly transported to some wonderful and sometimes scary underwater spaces.

A big thank you to the students involved, to Mark Parry and Lauren at Artwaves.

We are so excited to hear our voices echoing around the Bridlington spa in November. - Miss Ward

Oh mon Dieu! What an incredible turn out for this year's Bake off competition to celebrate European Day of Languages! The level of effort that has gone into the contributions has been incredible! Stand out entries include:

Charlotte W (Y7) and her French themed Rocky Road;

Alana, Liv and Amelia (Y7) and their tribute to the England Flag;

Isaac H (Y9) and his stunning (and incredibly delicious!) Union Jack;

However...

This year's 'Star Baker' - or 'Bakers' goes to "A French Picnic" from Zalyssia (Y11) and Kaela R (Y8)!

Bel effort! Madame Collinson
