ISSUE **13**

FRIDAY 9 DECEMBER 2022

Message from Mrs Stamford

We have come to the end of the Autumn Term and my first as Head of School! It has certainly been a whirlwind of an introduction to running the School on a daily basis for me and I would like to thank all parents/carers and students for their support over the last 14 weeks.

Today is 'jumper day' whereby your donations will make a real difference to 'The Hinge' over the Christmas period, so thank you very much for anything you can spare for our wonderful, local charity.

In addition, we have decided to end the year with a non-uniform day on Friday 16 December. Students should wear appropriate non-

uniform for the climate and please ensure clothing does not contain any offensive slogans. We will also end the year at 12:05pm on this day.

We have sent home a new revised copy of the uniform policy. Please check to see if your child is affected by any amendments made to the policy for their return in January.

Next week we look forward to celebrating with our students in their Rewards assemblies. There are some fantastic prizes up for grabs. Good Luck and well done to all of our students. We truly have fabulous students at Headlands School and please remember if your child doesn't win a prize this time,

that doesn't mean that they haven't done some amazing work this term.

On Monday 12 December our Sixth Form band 'The Forgotten' will be performing The Jingle Bell Jam at 7.00pm in the Main Hall. Please do come along and support our fantastic band and Performing Arts Department.

All students return to School on Wednesday 4 January 2023.

Have a safe and restful break. We look forward to seeing you in 2023!

Mrs Stamford
Head of School

Year 13 Business

The Year 13 Business students attended a talk on branding and global marketing today at Old Trafford stadium as well as getting a tour of the stadium.

Mrs Bone's Newsflash

Last week I had the opportunity to network with fellow Leaders from across the country at an Executive Trust Leaders Training course in Birmingham. We heard from Leaders who had Executive roles in successful academy trusts. There was lots to learn from their experiences but in particular what was evident was the success that came from working more collectively across schools, sharing expertise and sharing resources. This is reassuring to know because as you will be aware the team here at Headlands continue to work with colleagues across

Bridlington, the East Riding and beyond to ensure our students have the best possible educational experiences. This includes partnerships with local and regional businesses.

On Monday we hosted our annual Year 11 Mock Interview Day. In its 9th year the event has gone from strength to strength and this week over 50 employers supported it. In today's current economic climate we can not underestimate the positive influence this day will have on our students' confidence and interview abilities. They all did themselves really "proud" and

the employer feedback was absolutely outstanding. So "Well Done" to our Year 11's and a big "thank you" to everyone who supported the event.

Here's looking forward to 2023 when the team and I here at Headlands are confident all our students will continue to make great strides in their academic performance and personal development.

Have a peaceful Christmas and wonderful New Year,

Mrs Bone
Executive Headteacher

Year 10 Food

In our latest cooking competition, Year 10 are looking at presentation skills. The task was to present a tunnocks teacake as a restaurant style dessert. The winners were Maegan Pacy, Riley Siddall and Lola Longoni - Miss Spiers

Future Chef

Well done to Isaac Hatton and Josh Jobson who took part on Tuesday in the regional stage of the Future Chef competition, they competed against other students from Hull and East Riding Schools. Both students did extremely well, Josh made chicken in a cream sauce with a parcel of seasonal vegetables and homemade bread. Isaac made stir fry with homemade noodles. The presentation and workmanship was described as outstanding by the judges who are chefs currently teaching at Hull College and professional chefs in this area. Josh won the competition and his next stage is to compete against other students from Yorkshire at Sheffield University. Well done Josh! - Mrs Jones

Art Club

We have been getting into the Christmas spirit this week at Art Club, making festive decorations and cards. After Christmas, we will be turning our hand to making some props for the upcoming School production, if set design interests anyone then places are still available to come and help with this - Miss Ward

Merry Christmas and a
Happy New Year from
everyone at Team
Headlands!
