FRIDAY 28 APRIL 2022

Message from Mrs Stamford

This week we are back in the swing of busy school life! We have had our GCSE practical exams in Drama, Art and Design & Technology. Well done to our fantastic students on the commitment, dedication and enthusiasm shown during these exams.

On Wednesday we had a group of Year 8 students: Alex Coupe, Roman Calton, Alfie Farnell, Dan Abram, Cal Day, Brodey Hemmingway and Ethan Pickering travel to County Hall to pitch for some funding for Active Travel England. The boys were well prepared and delivered an intelligent and impressive pitch to Councillor John Whittle, Emily Sykes from ModeShift, Jenny Wiles, Head of Behavioural Change for Active Travel and John Marshall CEO of R-evolution. What a

great opportunity with a fantastic result for Headlands School.

Another exciting achievement this week is that 105 of our KS3 students have been chosen to have their short stories published from a Young Writers competition. Well done to all of our students who entered and congratulations to the students whose work was selected for publication - a phenomenal achievement!

Could I remind parents that North Bridlington Library car park is closed and to find alternative drop off

points for your students. Martongate School have politely requested that you refrain from using their car park to drop off students from a safety perspective of their own students. Thank you for your support with this.

Finally I hope you all have a lovely bank holiday weekend. The School is closed to students in Years 7-10 and Year 12 due to National Strike action on Tuesday 2 May but we look forward to seeing all students back on Wednesday 3 May. A reminder that School is open to those students in Year 11 and 13 on Tuesday.

Mrs Bone's Newsflash

Having looked through this week's Headlands Facebook page it is amazing to see all the opportunities that are on offer for our students. From being given the opportunity to write for a Young Writers competition, to meeting representatives from York University, to visiting Hull Truck, Theatre, to smashing a presentation to East Riding Councillors and securing £500 worth of

funding, and to finally seeing one of our ex-students and Headlands Scholars, Isabelle Marshall, back with us promoting The Bridlington Medical, Health and Social Care Academy, it really has been a very busy week!

This week our Year 11's and Year 13 have begun their GCSE and A' Levels - and what a journey it will be. Starting in April and finishing in June, the team

and I here at Headlands do not underestimate the strain this period of time may have on our students. If you have any concerns about your child's emotional wellbeing during this summer exam season please do not hesitate to contact the School.

Enjoy the long weekend,
Mrs Bone
Executive Head

POTTERY CLUB

MONDAYS
3PM - 4PM

Race the Waves Event

Enrichment Awards

This year we have launched the Headlands 'above and beyond' awards recognising our students amazing commitment to enrichment activities throughout the year. Our Gold award is only awarded to those students who show this outstanding commitment for two whole terms. We have therefore been delighted to award our first ever Gold award winners this week. Pictured are three recipients of the gold award; Harry, Annabelle and Evie.

Our School active travel ambassadors (ATA's) have been working hard all year to identify where we, as a School community, can improve particularly in relation to how we commute to and from School. They pitched their plans at the East Riding of Yorkshire Council at County Hall in Beverley. They pitched to counsellor John Whittle, John Marshall CEO of R-evolution and representatives from Modeshift and Active travel England. The students did themselves well and their hard work in preparing for today showed as they were granted the £250 from the panel which East Riding of Yorkshire Council kindly matched meaning our ATA's were successful in securing £500 to promote active travel this summer. Watch this space for news about their planned initiatives soon!
