After running a successful Disney Trip in 2019, we would like to offer this once again!

# Disney Land trip 2024 – Student requirements

- An attendance record of 96%+
- No Return to Learns
- Though the trip is supported by staff, students are independent whilst walking around the park and you should only consider your child attending if you are confident that they are able to act responsibly whilst being in the park without constant supervision
- Usual school expectations will apply and any students who fail to follow policies may result in parents/carers being asked to collect their child at their own expense.

We acknowledge that there may be extenuating circumstances for certain students and this will be taken in to account on an individual basis by the senior leadership team and year leader.

- Extra information:
- **DVDs** - We would like to invite the students to bring a selection of their favourite DVD's (nothing over certificate 12) – but would ask that the DVD boxes are clearly labelled with your child's name
- **Electrical Equipment** - If your son / daughter plans to bring their mobile, Ipod, Ipad, handheld game console or camera then please remember to pack a charger and charger bank. Also please note that these items are not covered by the insurance and by bringing those, students do so at their own risk.
- **Insurance** – Personal insurance can be purchased for around £5
- **Contact** – We will post updates through our Facebook Page (when possible). Students will be given emergency numbers which staff will have at all times. Parents can contact school should they have any queries.
- **Disney park** – Students will be in groups (they choose) and registered at certain times during the day. Students go around the park independently - please

# Disney Land trip 2024

- Extra information:
- **Staff Numbers-** Students will have the emergency school mobile number so they can contact us through the day should they need to
- **Sleeping arrangements** – Students will be in groups, these will be arranged before the trip. Students can choose who they share with under staff discretion (must be same gender). We won't be in the room for a long period of time. Students will know which rooms staff are in so they can be contacted in an emergency
- **First Aid/Medical** – Students medical forms are already on school file, if you need to discuss medical conditions, please contact us. Students can carry and self administer own medications. (paracetamol, ibuprofen). Please ensure students bring their own inhalers.
- **Disneyland Paris app** – encourage students to get this free app (if taking phone) to check wait times for rides/places to eat etc
