

# Headlands HEADLINES

ISSUE **27**

FRIDAY 5 MAY 2023

## Message from Mrs Stamford

It has been a three day week for the majority of students this week and things have been a little quieter!

Thank you to all parents of Year 9 who have helped get their child's option form in on time. We now have all of our students' preferences and Mrs Roberts is busy working through these to ensure where possible your children get their first choice and are able to study the subjects they enjoy.

### Detention reminder:

Students issued with a detention are expected to attend, where students refuse to attend an SLT detention on a Friday or Monday, they will be issued with a period in Return to Learn and the detention will be rearranged. Students that repeatedly refuse to attend SLT detentions will escalate this sanction.

### Return to Learn:

All Return to Learn and Internal Exclusion periods will finish at 3:45pm from Tuesday 9 May.

Thank you for your support with this.

Next week is another long weekend in celebration of the King's Coronation. School reopens to all students on Tuesday 9th May.

Mrs Stamford  
Head of School

## Mrs Bone's Newsflash

As a Fisheries Scientist it would be remiss of me to not report on the sad loss of the junior male fin whale on our South Side beach this week. At the time of writing the team from the East Riding of Yorkshire are planning the removal of such a large mammal from the beach which is likely to take place over the long weekend. Please could I ask for your support in ensuring the East Riding team can carry out this challenging task safely

and respectfully by encouraging our community's young people to respect the security barriers and the enormity of this operation. Thank you.

In more celebratory news, this weekend the country will come together to celebrate the Coronation of Charles III and Camilla. Fingers crossed for everyone, the weather is better than predicted and we all get to see some sunshine this weekend!

Finally, wishing our students attending the Manchester City weekend - have an amazing time! I can't wait to hear your experiences and see all the brilliant photos of you having a great time!

Best wishes  
Mrs Bone  
Executive Headteacher
