

Student Council Autumn (1) 2023

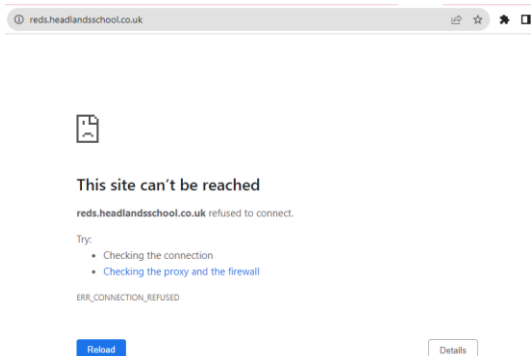

Character Cards are popular in school with most students using them for a lucky dip of sweets. Why don't more students go for the chance to win £50 in the raffle? What would make you choose the raffle idea over the sweets?

- Realistically unlikely to win a prize therefore would rather go for instant reward

Are teachers giving routine stamps and super stamps regularly? Are they being recorded?

- Always recorded in Tutor Time
- Some staff are not as consistent as others with awarding Routine and Super Stamps

The RED's system now updates properly - do you know how many RED's you have got? If not, what is stopping you knowing? What would you like to see specifically in the RED's shop?

- Can't always get onto the website
- Not always accurate in terms of stamps "v" Red's
- Would like to see a range of vouchers to spend

Future Student Council:

- The Canteens
- Heating around the school
- Social spaces
