After year 11... what's next?

You must stay in education or training until you are 18 years old.

Sixth Form

College

Apprenticeship

Pride | Aspire | Respect

Sixth Form Vs College

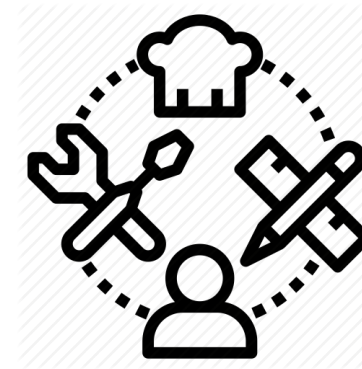

Sixth Form

- Focuses on academic qualifications in a specific subject area
- Normally pick three separate subjects to study
- Similar learning style to school

College

- Focuses on vocational qualifications
- Offers more of practical learning opportunity
- Qualifications may be linked with a specific job or career

Pride | Aspire | Respect

Apprenticeships

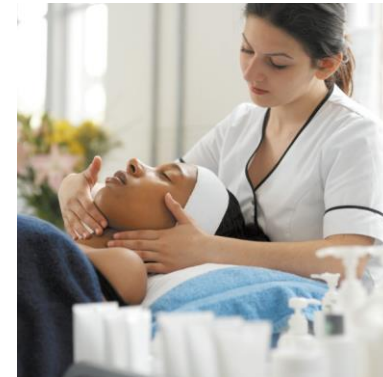

A way for young people and adults to learn and earn in a real job, gaining a recognised qualification

An apprentice will

- Earn a wage
- Work alongside experienced staff
- Gain job-specific skills
- Get time for training and study related to your role

Apprenticeships are good if you

- If you want to get into employment
- If you don't want to continue with full time study
- Have a focused career path in mind

Dos and Don'ts

Good reasons to choose a subject		Bad reasons to choose a subject	
✓	You're good at the subject	✗	Your friends are doing it
✓	The subject is linked to a career you're interested in	✗	You like the teacher you have for the subject now
✓	The subject is linked to a course you want to study after GCSE	✗	You think the subject is easy
✓	You like the subject	✗	You don't know what else to pick

Pride | Aspire | Respect

Options Process

Choose a subject that you enjoy - you're going to be studying these subjects for the next 2 years (at least) - and if you enjoy it, you're more likely to do well.

Choose a subject that you're good at - if you're good at something, you're more likely to enjoy it, and keep yourself motivated as well as achieving a good grade at the end of it!

Ask for Advice

Choosing your options is a big decision but you don't have to make it alone. Talk to a range of people to get different views.

- Ask your **subject teachers, tutors, Mrs Harvey, Mrs Rogers, Mr Stamper (careers) and myself, Mrs Roberts** for advice. We know the requirements of the courses really well.
- Speak to your **parents, carers or relatives**. They want the best for you and know you better than anyone.
- **Do you know someone who has studied the course before?** They know exactly what the course required of them and what they found interesting and challenging.

Pride | Aspire | Respect

Options Timeline

- Thurs 7th March - Options form sent to parents
- Friday 22nd March - Options form should be completed and submitted
- Summer Term - Allocated option subjects will be shared with students/parents
- October Half term - Students will have until this date to change their mind and swap option subjects (if there are places left)

Pride | Aspire | Respect

What students need to do next...

- Read all the information that school gives me - options booklet and watch the subject videos, Parents Evening
- Look up careers which interest me and find out which subjects I will need for them
- Research which topics and assessments I will do in each course.
- Think about what interests me in each subject and what I am good at!
- Maintain a good work ethic and great attendance
- Set yourself high aspirations and expectations

Ask for advice!
