Headlands Headlines

Message from Mrs Stamford

Welcome back to the summer term! I hope you have had a restful break. Our students have settled in well this week with some fantastic work and activities being seen across the school and within classrooms.

Our Sixth Form students have been taking part in life lessons and have enjoyed learning how to cook for those who are leaving for University.

Students made a variety of balanced meals which they can make independently. Congratulations to our winning team Daisy, Emily, Issy and Maddie!

Last night we had our second Year 11 Parents' Evening. Thank you to all parents and carers who made appointments to see teachers. We hope you found the evening useful in supporting your child as we move into the exam period. As the exam season approaches, all students in Year 11 and Year 13 should now be able to access their individual exam timetables via Edulink on the Exams icon. In preparation for the exams, students in these year groups will get a revised "school timetable" which will

be effective from Tuesday 7th May.

Year 9 students have now put their option choices in, Mrs Roberts is now working hard to devise option blocks which allow all students to obtain their first choices. Mrs Roberts will be having conversations with Year 9 students over the next few weeks in order to finalise their final choices. Over the next few weeks we have a very busy schedule at Headlands, with various University visits, fieldwork excursions and trips across various subjects. More information will be communicated where necessary.

Mrs Stamford
Head of School

Mrs Bone's Newsflash

This week I am writing on behalf of one of our recent ex-students with a request. As a school we actively try to support our ex-students beyond their time at Headlands and welcome them staying in touch with us as their careers continue to flourish.

Oliver Male left Headlands School at the end of Year 11 in 2023. Alongside his school studies he took up boxing in Year 7 at CYP in Bridlington. Oliver is now at a crucial junction in his boxing career and is seeking sponsorship to further support his ambition of boxing for England.

He is actively looking to secure business sponsorships for his next season. In the last 12 months he has become the following -

1. Yorkshire Champion
2. England Open Champion
3. Angel of the North International Box Cup Winner
4. Hull Box Cup Winner
5. Yorkshire Cadet Champion
6. England Youth Cadet Champion

Oliver attended an England Boxing Talent session last month and was subsequently selected to attend four England Boxing Training Camps between April and September 2024.

If you are in a position to support Oliver in his rapidly evolving boxing career, please let me know directly via the office admin email address at admin@headlandsschool.co.uk In the meantime we continue to wish Oliver every success in his boxing career.

Have a good weekend,
Mrs Bone
Executive Headteacher

Year 10 Health Campaign

On Thursday the Year 10 Health and Social Care class presented a Health Campaign to Year 7 students as part of their Health and Social Care coursework. Negative effects of alcohol, underage drinking and binge drinking were the themes presented. They planned a variety of tasks for the Year 7's to do to raise awareness of their chosen topic. Year 10 had created PowerPoint presentations, hand made posters, word searches, key word bingos and quizzes before presenting the information to Year 7 students. The Year 7's thoroughly enjoyed their time and got a lot from it. One student said 'I learnt a lot and really enjoyed the activities. I didn't realise that alcohol could do so much damage'. I was so proud of the way they presented themselves with such confidence. It was an excellent session! - Mrs Goodwin
