## Headlands Headlines

### Message from Mrs Stamford

This week our year 9 cohort have enjoyed trips out to Flamborough as part of their Geography course. Despite getting stuck in the mud, one group of students came across a 'shark!' Not quite Jaws but very exciting nonetheless!

Congratulations to our gymnastics team who attended the National Finals last week. Chloe and Phoebe placed 3rd in the entire country for Disability Acro and the boys team placed 6th in the entire country. A huge achievement and thank you to these students for representing Headlands School.

This term's enrichment homeworks are as follows:

Year 7: Write a TV show or Film Review (English)

Year 8: Create a costume design for Blood Brothers (Blood Brothers)

Year 9: Create a fact file on one form of religious art. (RS)

All projects should be handed in by the last week of this half term and queue jump cards are up for grabs for the lucky winners!

Next week GCSE exams begin for our Year 11 students. We wish all of

our Year 11 students the best of luck in their exams. They have worked incredibly hard and we are really proud of everything the students have achieved whilst in school this year.

Details about the new timetable, the leavers assembly, the Prom and then results day will be communicated with parents and students over the next week.

Mrs Stamford  
Head of School

### Mrs Bone's Newsflash

This week Mr Cooke (Assistant Head) has delivered assemblies to students with two clear messages.

The first is don't say "no." Nationally there is a creeping narrative around young people just saying "no" to reasonable requests like "please go to lesson." Mr Cooke has reminded students that by choosing to come to Headlands School they have agreed to work within the parameters of the school's Behaviour for Learning Policy. In terms

of perspective it is worth noting that 99% of our students are able to adhere to the Behaviour for Learning Policy and regularly receive rewards for their efforts.

The second aspect of Mr Cooke's assembly focused on the social polite courtesy of saying "good morning" and "hello" when someone says "good morning" or "hello" to them. If we could continue to encourage one another to engage in these phrases, we know it does lift your mood and ensures you are

seen and heard.

Finally a huge congratulations to Zach Marsh in Year 11 who has recently signed for Boston United - this is an amazing achievement and we wish Zach every success.

Have a good weekend  
Mrs Bone  
Executive Head

## Headlands Headlines

ISSUE 25

26/04/2024

### Zach Marsh - Year 11

Celebrating Zach Marsh in Year 11 signing for Boston United - well done Zach and huge achievement and we will watch with excitement as your promising career progresses!

### Coventry University Trip - Year 10

On Wednesday our Year 10 Business students attended a business workshop at Coventry University Scarborough Campus. They took part in a variety of sessions based on different areas of business they have been learning about this year including finance, branding, sales and project planning. The students also learnt more about the options for studying at University. It was a great day out with the students competing in a number of fun activities. - Mrs Smuts

## Cyberbullying

### What is Cyberbullying?

Cyberbullying is bullying online and can take many forms such as sending malicious messages, leaving nasty comments, excluding somebody from a group chat, blackmailing or setting up a fake profile. Cyberbullying can take place across many different platforms such as WhatsApp, Snapchat and on games such as Roblox and Minecraft.

### What should I do if my child is being bullied online?

If your child is being bullied, then try to stay calm and let them know that it is not their fault. It is always useful to keep evidence of any online bullying and inform their school so that they are aware. Show your child how to block and/or report any users/content and review their privacy settings to limit what others can see. You may also wish to set up any parental controls that are available.
