Mrs Bone's Newsflash

The sun shone and the pictures say it all really! Mrs Stamford and I had a truly fabulous experience at Buckingham Palace. An afternoon that will stay with us forever. Thank you for the support you continue to provide to us. We made sure everyone knew we were proud to be representing Headlands School and the Bridlington community.

Mrs Bone
Executive Head

Royal Navy Visit

On Wednesday 29 students from Year 10 Food Technology took part in a Navy workshop. The Navy personnel gave a very informative presentation about the possibilities of a career in the Navy and then they all made chicken kiev and sticky toffee pudding in groups.

Well done to all of the students who took part, the food was delicious! - Mrs Jones
