

Message from Mrs Stamford

It was great to see Year 7, 8, 9 and 10 start the school football season at home against Cottingham. Well done to our Year 9 team who won 9-1! It is especially lovely to see so many of our new Year 7s taking part in the wide range of our fantastic extra curricular activities.

Year 8 Next Gen Leaders has started with full force! Miss Matthews and Mrs Adamson are leading on the project where students will be working together to become active citizens and agents of change within their local community,

developing their empathy and desire to make a difference. We are very excited to see what projects they come up with.

Next week our Year 8 students take part in our annual workshop "Prison Me No Way." This is a charity organisation set up in 1995 by prison officers as a national crime prevention launch. This is an invaluable opportunity for students to learn about the prison service and system and have the opportunity to meet and talk to people who have been a part of the justice system in an attempt to ensure that students do

not engage in crime. It is always a really thought provoking day and we hope our students get a lot from their experience with the team.

Just a reminder, Year 11 Parents' Evening is on 10th October. Edulink is now open for parents to make appointments.

HEADLANDS HEADLINES

Mrs Bone's Newsflash

This week in Assembly Mr Stamper (Assistant Head) has focused students' attention on the huge range of Rewards our students can achieve - in recognition of the feedback over time we have received from students on the instant Rewards they value and the bigger Rewards they can work towards. We anticipate that within the next week we will have our first cohort of Tutor Certificates for students and this means they will be automatically entered into the 1st Tier of our Autumn

Term Reward Trips - already! This is brilliant! A huge thank you again to Lloyd Dowson who continues to sponsor our weekly "top" student's in Assembly every week.

Whilst it is really important to celebrate our student's efforts I would also like to highlight to you our amazing Mr Wilson's achievements in becoming a published author over the summer (Mr Wilson, Teacher of English, Film and Drama). He has published his play called

"Hollowfield" - which was first showcased here at Headlands School. A huge congratulations to him - and watch out for the next installment! <https://amzn.eu/d/8nhwnhk>

Have a good weekend,
Mrs Bone
Executive Headteacher

Headlands Careers

At Headlands School, we support your child to go on and have the best possible future career. For more information please visit our website:

<https://headlandsschool.co.uk/careers/>

We have a very useful Google Classroom which is full of resources and also up to date information on next step opportunities including open events, apprenticeships and much more. Please use code auz5ijv to join.

Check out this careers magazine for lots of useful information which can be used to help support your child:
