

## Message from Mrs Stamford

Last night we held our Year 10 Parents Evening. We have already received some really positive feedback from parents and I hope you found the evening useful in discussing your child's progress with their teachers.

On Wednesday 11 December we have our annual 6th Form trip to The Designer Outlet in York for the students to go ice skating and pick up some last minute Christmas shopping bargains, although we usually find the majority of our students in the Haribo shop!

On the evening of 11 December the Performing Arts department will be holding a Christmas concert. This will be held in the main hall from 6-8pm. Tickets are £3.00 and are available to purchase via the Scopay app.

On 18 December we have the cinema trip and school disco. As well as this our canteen will be serving a Festive Dinner. Just to note, there will be no other food choices on this day.

A reminder that term will finish for the Christmas break on Thursday 19

December at 12.05pm. This day will be a non-uniform day. If students would like to wear festive attire, that would be welcomed.

School reopens in January for Main stream students on Monday 6 January. The ARC will be closed to students on Monday 6 January for staff training. Review meetings will take place for ARC students on 7 January with all students returning back on 8 January 2025.

Mrs Stamford  
Head of School

## Mrs Bone's Newsflash

The Class of 2025 absolutely smashed it this Monday with the best ever Mock Interview / Aspirations Day. The feedback from employers, many of whom have attended and supported for the last ten years (where has the time gone!) told us the students were magnificent - they had clearly taken the whole process very seriously and some were even offered real jobs and apprentices!

As someone who used to work in recruitment for a living, I know first hand just how important days and experiences like Monday are. I also know that we are incredibly lucky to be so well supported by our local employers, charities, apprenticeship providers, colleges and universities. A huge 'thank you' to them for giving up their time (which costs money!) to freely come and support our students.

Have a good weekend,  
Mrs Bone  
Executive Head

## Next Gen Leaders

Under the guidance of Headlands teachers – Miss Matthews and Mrs Adamson – and in association with Andrea from the ERYC’s Anti-Social Behaviour Team, the NextGenLeaders Programme is a youth leadership initiative aimed at empowering young individuals to become responsible leaders through project-based learning and youth participatory action.

There are currently six projects underway including 'Parenting for all' which is a group of students wanting to create equal opportunities and information for all parents/carers regardless of gender. 'Stop the old from being cold' is another initiative where the students are thinking of ways to keep elderly people warm in the winter.

We will be hosting a bake sale on Friday 13 December outside the new block canteen for us to raise funds to be able to travel to the next NextGenLeaders event.

Other students have also been raising lots of money for various causes including Harry Douthwaite who has run at least 5k every day in November!

## Bake Sale!

**Bake Sale to Raise Money for the Next Gen Leaders School Trip!**

**Friday 13 December break and lunch time outside the Tower Block Canteen!**

Would your child benefit from having a quiet place to complete their homework with staff who can support them? If so, they can sign up for our Secondary Academic Support sessions.\* These sessions are FREE and provide dedicated academic Support for Year 7– Year 13 students.

IntoUniversity is a leading national education charity that works to inspire young people to achieve their potential. Our term time after school Academic Support sessions are a great way for your child to be supported with their homework, revision, essay writing and exam revision. Or students can develop their research, writing and other key skills that support the school curriculum by completing project work. Our university partners are the University of Hull and the University of York. IntoUniversity Bridlington is based at Christ Church, 2 Quay Road, Bridlington, YO15 2AP . It runs Monday and Thursday 4.00-5.30pm (term time)

\*Please note: As we are funded to work with the young people who need us the most, we will use criteria requirements to assess eligibility to join.
