

Message from Mrs Stamford

On Thursday 6 February, Year 8 parents/carers will have the opportunity to meet their child's teachers to discuss their progress. The evening will be an in-person event at school and appointments can now be made through the Edulink App.

Congratulations to our chef superstar Maelys on a fabulous achievement at the Young Chef competition which was held at Sheffield University. We are all very proud of your accomplishments and look forward to seeing what culinary

delights you go on to concoct in the future!

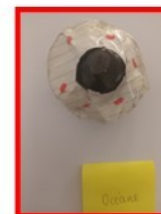

This week, five very talented young runners: Tyler, Harry, Ellie, Maelys and Oceane all competed at the Humberside Cross Country event in Scunthorpe in the pouring down rain! Again a huge congratulations on your achievements and representing Headlands School with maturity and pride.

Our Year 11 students are coming to the end of their mock exam period now and I

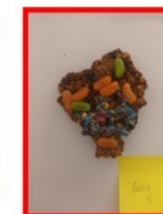

wanted to let parents/carers know how incredibly proud we are of the attitude, effort and resilience of our students. The exams have been challenging and the students are beginning to tire, but they now have a clear picture about the expectations of their GCSE exams in the summer term. All results will be given to students in a mock exam results day on Friday 28 February P5.

Mrs Stamford
Head of School

Year 7 Homework

Mrs Jackson (Science) was amazed by the quality of the homework produced by her Year 7 Class! Well done all!

Mrs Bone's Newsflash

This week's Assembly has focused on the Math's Curriculum. Led by our Director of Maths, Mr R Earnshaw, student's were provided with an overview of the Maths Curriculum through Years 7 - 13. In addition Mr Earnshaw deliberately challenged students to consider the wider implications of being numerate and paused the Assembly for students to think, and then share their answers. Student responses included being able to understand salaries, mortgages, household bills and shopping for household items. Next week we will hear from

Mr Shaw - Director of Creative Arts.

On Thursday and Friday next week I am in Birmingham as part of my role as the Yorkshire and Humber Representative for the Association of School and College Leaders. Amongst others there are two central Agenda items to discuss - the proposed Governments Children's Wellbeing and Schools Bill and the new Ofsted Framework. Both these Agenda items will impact on the work we are doing here at Headlands School and having the opportunity to direct and shape these Government Policies is a

real privilege.

Finally, we are still in need of Exam Invigilators for this summer's Exam Season. If you would be interested please get in touch either via contacting the School's Main Reception or email admin@headlandsschool.co.uk

Wishing you all a good weekend

Mrs Bone
Executive Head

Congratulations to Oceane, Tyler, Harry and Ellie who represented the School and the East Riding at this weeks Humberside Cross Country Championships.

Future Chef

On Tuesday 28 January, Maelys Price took part in the Regional finals of the Future Chef competition at Sheffield University. Maelys' culinary delights were lemon chicken with fondant potatoes and glazed French beans with almonds. The dessert was Kladdkaka, a Swedish chocolate dessert with raspberry coulis. The dishes at the competition were of a very high standard and the judging was very close. The feedback from the judging chefs present at the competition was very positive as they stated that Maelys' workmanship, presentation of her dishes and the flavour of the dishes was of a very high standard. - Mrs Jones
