

Message from Mrs Stamford

This week our fabulous students have showcased Mary Poppins! This review from Mrs Rogers sums up the superb show!

Well... in the words of Mary Poppins, tonight's show was simply:

"Supercalifragilisticexpialidocious!"

What an absolute pleasure it was to see our talented students sing, dance and perform their hearts out to a very appreciative audience. The Performing Arts team have once again worked their magic and pulled together an outstanding show. We are so lucky to have so many talented individuals in our school and

it was wonderful to witness one of the biggest and youngest casts Headlands has seen. The camaraderie amongst them was evident to see on stage - they were total professionals but clearly loving every minute of the experience!

An absolutely huge congratulations to all involved!

On Thursday 6 March our Year 9 Pathways evening. This will give you an opportunity to discuss with staff about the subjects your child can choose moving into year 10 for their GCSE choices. All subjects will have stalls whereby you can find out information about lots of different subjects and new subjects which your child may not have studied

before. Appointments can be made via the Edulink app. Students will also be given their options forms. We encourage you to discuss your child's option form with them to make the best choices for them individually. Option forms will be due back in by 3 April.

On Thursday 13 March, Year 11 will have a parents evening to discuss the mock exam results. Again, please make appointments through the Edulink app once it goes live.

Mrs Stamford
Head of School.

Quinlan - Year 8

Quinlan, Year 8, entered a local 'Bake Off' Competition at Bridlington CYP over the Half Term holidays to raise money for the Military Assistance Social Hub.

Quinlan made a 4 layer Chocolate Sponge Cake.

In total there were 11 entries and Quinlan finished in 2nd place!

Well done Quinlan!

Mrs Bone's Newsflash

This week Mr Cooke (Assistant Head - Behaviour) has led assemblies on Student Rewards, our Behaviour Policy and our Uniform Policy. Students have responded really positively to Mr Cooke's reminders of our standards. Mr Cooke also used this week's assembly as an opportunity to reflect with students on our Core Values of Pride, Aspire, and Respect and how students can demonstrate these values in their day to day interactions in school. We continue to ensure the vast majority of our students are

rewarded for displaying our Core Values in their daily interactions with each other and the wider community.

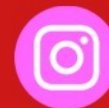

I know Mrs Stamford has written about the School Production of Mary Poppins, but I also just wanted to acknowledge how incredibly proud I am of all the students - their performances were simply stunning! Thank you as well to all the staff for making this happen! Truly brilliant.

We now only have one Facebook social media site, Headlands 6th Form. We

have had access issues with our Headlands School Facebook page and are unable to continue to use this site or the school name. As such, please look out for posts on the Headlands School 6th Form one instead. It can be found here - <https://www.facebook.com/p/Headlands-Sixth-Form>

Enjoy the sunshine this weekend!
