Message from Mrs Stamford

This morning Year 11 have been given their new timetables which begin on Tuesday 6 May in preparation for their GCSE exams. These timetables have been carefully considered to enable your child to receive the best preparation for their exams. Each exam has a revision session prior to the exam which must be attended. After half term, there are some "home study" sessions built in where students are able to remain at home and complete their own personal revision. However, before half term, the schedule is very tight with lots of exams in succession and the revision has been designed to

support your child with this.

Year 11 students will be expected to attend all exams in full school uniform.

Today our KS4/5 students have all attended a presentation by One Punch Hull. One Punch Hull is a charitable organisation that focuses on raising awareness about the dangers of one-punch attacks and their effects on families and friends. Through their educational talks, they aim to help participants understand the associated risks, explore alternative

actions in confrontational situations, and address peer pressure related to fighting. This initiative is designed to inform students that there are always other options available.

Next Thursday 1 May is Year 7 parents evening. Please make appointments via the Edulink App. This will be an in person event.

Mrs Stamford
Head of School

Apprenticeships

Is your child considering an apprenticeship as their next step? Choices magazine is the ultimate parent and carer guide to apprenticeships and technical education! It is completely free of charge – find this month's edition here: amapps.uk/parent-magazine and sign up to receive it each month, direct to your inbox: amapps.uk/choices

Amazing Apprenticeships' Parent and Carer zone is also a great place to explore apprenticeships and technical education: amazingapprenticeships.com/zones/parent/

Football

On the evening of Friday 28 March the Year 7 and 10 Football teams made the long journey to Brough to face Beverley Grammar School and Hessle School respectively in the East Riding School's Football Plate final.

Year 10 unfortunately narrowly lost out to their Hessle compatriots but Year 7 came out 3-1 victors with a superb hat trick from striker Harvey Goacher. The game took place in high wind on a heavily sloping pitch and after weathering an early storm within which they defended well Headlands took control of the game and eventually took one of their chances to go into half time 1-0 ahead. The team were confident going into the second half kicking downhill now but the headwind they faced proved a massive challenge and eventually a Beverley Grammar shot from distance flew into the top corner. Undeterred Headlands adapted well and quickly regained control of the game. Another good finish from Harvey Goacher followed quickly by a penalty soon after saw the Year 7 team become the first Headlands team to win Football silverware for many years. The entire team performed excellently and clearly 'hat trick hero' Harvey Goacher stands out but notable mentions must also go for the performances of Ben Tindall, Milo Jenkinson, Harvey Shufflebottom and Riley Chapman.

Thinking of training to be a teacher?

Mrs Bone's Newsflash

This week Mr Cooke (Assistant Head - Behaviour) has welcomed back students from the Easter break and talked through our expectations of them in terms of their commitment to learning and how they interact with one another in school.

From this Assembly he has also asked for their feedback on the very topical subject of mobile phones in schools so that we can provide objective information from their perspective to Governors at our next Behaviour for Learning Meeting.

Thank you to all those parents / carers who continue to positively engage with the school and share positive news stories - and to those parents / carers who have viewed our range of Webinars. More information on these can be found here - <https://headlandsschool.co.uk/parents-information/parent-webinars/>

Finally "Welcome" to our new Year 7 cohort for September 2025 - we set ourselves an ambitious Pupil Admission Number of 210 places knowing

more and more families in Bridlington want to secure a place for their child at Headlands School - and we have achieved this ambition! So, I am really looking forward to welcoming students to our Transition Days in July and greeting parents / carers and students at our "Welcome to Headlands from the Senior Team" night later in the summer term.

Best wishes
Mrs S Bone
Executive Head

Sensory Library

Every Thursday and Friday

Term time only

We have a wide selection of sensory equipment for you to borrow on a monthly loan.

182 Chanterlands Ave, Hull, HU5 4DJ

Drop in between 10:30 - 2.30pm
