Message from Mrs Stamford

Over the last few weeks Year 10 have been completing their mock exams. This experience has given the students the opportunity to get a feel for how exams will look and feel moving into Year 11. I would like to congratulate the majority of Year 10 students who have behaved accordingly and shown respect for the rules and regulations imposed by JCQ.

Next week, Year 10 are taking part in Work Experience. We hope they all have a fantastic week and really thrive in their placements.

This week some of our students completed the Sport Relief Mile. Congratulations to the students involved

and well done to Imogen Marsh for raising over £100 for the charity.

This week I met with the Student Council group to take their views on all things "Headlands." This was a really positive meeting which enabled students to share their constructive viewpoints as well as celebrate why Headlands is such a great school. There are so many amazing things happening across all walks of the school and it was lovely to be reminded of how fantastic our school is and what incredible support we have from our students, parents and wider community. We are really proud of our school

community and it is lovely to know students and parents are too.

As we approach the end of term, school finishes on Friday 18 July at 12:05pm for all students. This day will also be a non-uniform day.

Mrs Stamford

Head of School

Sport Relief Mile

Congratulations to students who complete the sport relief mile. A special well done to Imogen who has raised over £100 for charity!

Mrs Bone's Newsflash

Over the last two weeks we have run a series of internal interviews and I am delighted to announce that from September Mr Woolley has been appointed as Associate Deputy Head - Quality of Education, Mr Cooke has been appointed as Associate Deputy Head - Quality of Care and Mr Harah has been appointed as Associate Assistant Head - Sixth Form. I am sure the wider Headlands community will join me in congratulating them all to their new positions.

On Tuesday and Wednesday this week Mark Knapton our School Improvement Partner from the Local Authority visited this week and met with Governors, Senior Leaders and Subject Leaders. I am delighted to report it was a really positive experience and the feedback was "Great." Thank you to everyone who was involved.

On Thursday, Mrs Gascoigne (Vice Chair of Governors)

Mr Cooke, Mrs Westcott (Designated Safeguarding Lead) and I all attended Venn Academy Trust's Safeguarding Conference for professionals across York, North Yorkshire and the East Riding. It was incredibly informative.

The first sessions we heard from Dr Hackett were incredibly inspirational. Dr Hackett is a Professor in the Department of Sociology at the University of Durham working primarily on issues associated with child and family wellbeing, child maltreatment and sexual harm.

As a result of this presentation Mr Cooke has volunteered Headlands School to take part in a trial with Dr Hackett and Durham University which is a really exciting opportunity to be at the forefront of his research.

Then we heard from Mike Nicholson from Progressive Masculinity and we were literally blown away. <https://www.progressivemasculinity.co.uk/> We have invited him into school to work with our students and staff - so watch this space.

Tonight is the Year 11 Prom, and a highlight of the year for us all - really looking forward to it! And then next week is our Annual Sports Awards Dinner, again an event I always really look forward to where we all get to celebrate our students sportings achievements.

Have a good weekend

Mrs Bone

Executive Headteacher

Creative Arts Class of 2025 Showcase

Please join us in celebrating our GCSE and A-Level Creative Arts students' hard work over the past two years. We will be showcasing at least one piece of work from the following: 3D design, Fine Art, Textiles and Photography.

It is free to attend and the opening is at 5:00pm on Monday 7 July at the Priory Church, we hope to see you there. The work will also be open for public viewing 8, 9 and 10 July 11:00am - 3:00pm at the Church.

Thank you to the Priory for giving us the opportunity to share our students work with the public.
