

Message from Mrs Stamford

We have had another great week here at Headlands School. Lessons have been calm and purposeful with some fabulous explorations by our students. I have had the privilege of seeing Year 11 study 'Macbeth', Year 10 exploring 'A Christmas Carol', Year 9 looking at the role of women in the 19th century, Year 8 practising their ball skills in PE and Year 7 grappling with some tricky mental maths as well as finding their way to success with map reading skills!

Our P6 lessons for Year 11 also started this week. We had a fantastic turn out and we are really pleased with the commitment from our students to their studies.

This week we have launched our KS3 Sparx homeworks in Maths, Science and English. We have had a brilliant response and students have reported how much they are enjoying the challenges. It is important that the challenges are completed independently as the more students are successful, the harder the challenges become!

Here at Headlands School we love sharing photos of our students' successes on social media. However, we are unfortunately seeing an increase in those photos being taken and used for purposes other than what they were intended for. Therefore I

would ask that you speak to your children about the inappropriateness of screen shooting images and reusing them where they think this is funny. This often causes distress for the students whose images are being used and as a school we are considering no longer sharing these celebratory images which is a real shame.

A reminder that our Year 6 Open Events are Thursday 25 September 6:00pm-8:00pm and Saturday 27 September 10:00am-12:00pm.

Mrs Stamford
Head of School

ERC Open Days

If your child is interested in going to East Riding College after Year 11, here are the dates for the open days:

Tuesday 11 November 5:00-7:00pm
Wednesday 28 January 5:00-7:00pm
Tuesday 28 April 5:00-7:00pm

Mrs Bone's Newsflash

Another busy week here at Headlands School. It has been brilliant to be in and out of lessons this week seeing our students engaged in learning and embracing all the opportunities they have. It has also been wonderful to see all our students attending extra-curricular clubs; a reminder the timetable can be found here - [\(Link\)](#)

Looking ahead in terms of extra-curricular, I thought it would be a good opportunity at the start of the year to share with parents / carers how students are selected to be invited to our annual Sports Awards and Celebration Evenings, both held in the summer term.

Essentially students are invited to the Sports Awards night when they

have attended lots of extra-curricular sports clubs within school. Students who attend lots of extra-curricular clubs are invited to our annual Celebration Evening. So the key to being invited to either or both, is to make sure they attend as many as possible!

That's not to say we don't recognise students' sporting achievements outside of school, and also their contributions to other activities such as the Sea Cadets. For those regular readers of "Headlands Headlines" you will see that wherever we can use this format to celebrate those achievements, indeed this week we have celebrated Coco in Year 9 and her amazing news of securing a place for Leeds United FC and Emily Asquith,

an ex-student who has just become Silver World Champion at Boxing!

So, if your child is excelling outside of school in an activity, please reach out to us and let us know so that we can celebrate and congratulate our students for all their achievements.

Have a good weekend,
Mrs Bone

Calling all Parents & Alumni!

We're looking to build stronger career connections for our students, and we'd love your help!

If you are a parent or former student of Headlands and would be interested in:

- Talking to students about your career or job
- Offering work experience opportunities
- Supporting in other ways to inspire future paths

— we'd love to hear from you!

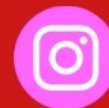

Please get in touch with any of our careers team (david.stamper@headlandsschool.co.uk, marie.smuts@headlandsschool.co.uk, sarah.dixon@headlandsschool.co.uk 01262 676198) to find out more or register your interest.

Your experience and insights can make a real difference in shaping the futures of our young people.

Coco, Year 9

Coco in Year 9 has been through rigorous trials in the summer and we are delighted to report she has secured a place in Leeds United FC Training Academy! Amazing news, well done Coco!

Polite Reminder

Please can we politely remind parents not to park on the Zig Zag lines on Sewerby Road when dropping off/picking up students.

Many thanks for your co-operation.
