MESSAGE FROM MRS STAMFORD

Congratulations this week to our Gymnastics teams, each team won a medal in the national finals which is a fantastic achievement. Well done to all students who took part and proved their skills by winning medals.

An advance notice that Mr Wilson is showcasing the A level and GCSE student's films. This will be held on Friday 19 June and tickets will be £3.00 and available on SCOPAY.

Can I remind parents and carers in both Mainstream and the Arc that the only jewellery permitted is a pair of simple stud earrings and a wrist watch. All other items of jewellery should be left at home.

Finally, the exams are now underway and our Year 11 and 13 students are understandably feeling nervous. Nerves are a good thing! It's a sign that your body is gearing up to perform and pre-exam anxiety triggers the release of

adrenaline, which sharpens your focus, boosts memory recall, and increases mental alertness, giving you the edge you need to think clearly under pressure. We wish our students the very best of luck and we're sure they will shine bright in their performances!

HOW TO WRITE A CV

A CV's job is to get you into the interview room....where you can then impress the employer with your personality, your experiences, your skills and your all-round awesomeness.

But a poorly written CV means that you might not even get into the interview room, and so they never get to see what they're missing!

I've been helping young people find their first job for over 30 years. Whether that's straight after GCSEs, A Levels or after graduating from university. I know what works and what doesn't.....and have a bunch of easy fixes that you can apply to your CV.

We will cover:

How to write a great Summary Statement

What order to put your CV in (and why that can sometimes change)

How to lay out your qualifications

Why your part time jobs are really important...and how to present them

Interests? Is anyone interested in your interests? Of course they are!

What should I do about references?

What design templates to use.....and which ones to avoid

CROSS COUNTRY CYCLE CHALLENGE

Last week our superb Active Travel Ambassadors (ATAs) hosted the first ever Headlands School cross country cycle challenge. Students participated in races organised by the ATAs and all walked away with prizes worth in value from £5-£45.

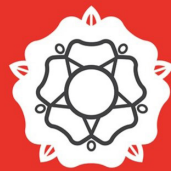

Keep your eyes peeled for the upcoming annual active travel week where there will be multiple ways for students to win prizes for commuting to School without the use of a car!
