

## MESSAGE FROM MRS BONE & MRS STAMFORD

### Key Highlights from our recent Ofsted Inspection:

I just wanted to take this opportunity to share with you some key highlights from our Ofsted Inspection this week.

The Inspectors were particularly impressed by a number of areas across our school. The quality of education was praised with Inspectors noting the high standards of teaching and the ambitious curriculum we offer our students across both the main school and in The ARC.

Behaviour and attitudes to learning were highlighted as exemplary, reflecting the excellent conduct and positive spirit the majority of our students demonstrate every day.

The personal development and careers offer we have

was recognised as a real strength, with Inspectors commenting on the wide range of enrichment opportunities and the care we invest in every child to ensure they have a variety of careers activities during their time at the school.

Finally, Leadership and Governance received praise, acknowledging the clear vision, hard work, and dedication of our entire team.

These positive observations of our school are a true reflection of the effort and commitment shown by every member of our school community. We wish to extend our heartfelt thanks to our wonderful Governors and staff, whose tireless dedication makes our school the special place it is. We also thank you, our parents and carers, for your continued support and partnership. Most importantly, we are immensely proud of our students, who represent our school with such

enthusiasm and positivity each and every day.

While we are very proud of the observations made by Inspectors, we remain committed to continuous improvement and will not rest on our laurels. We will use the feedback from the Inspection to further enhance the experiences and outcomes for all of our students.

Thank you for entrusting us with the education and care of your children. We look forward to continuing to work in partnership with you to ensure every student at Headlands School thrives and achieves their very best.

Mrs Stamford - Head of Headlands School

Mr Abbotts - Head of The ARC

Mrs Bone - Executive Head
