

Student Council
Minutes of Meeting 29 September 2026

- Are tutors talking about achievement points?
 - Key tutors always do the activities and talk about achievement, attendance and behaviour.
- Are tutors talking about attendance?
 - The feeling from Student Council is that other tutors are generally consistent.
- What rewards would you like - trips?
 - Big Fun, Gravity, Ice Skating, York Maze, The Edge, Go Ape, Y11 Rewards, Ninja warrior. Rock Up Hull, Zoo, Sewerby Hall £8? Computer games lesson. In school film. Extra trip on top of Flamingo Land.
 - 11 separate trips could be an option.
- What rewards would you like for attendance? £500 budget per term.
 - £500 pot for the whole school. £100 pot for each year group.
 - Year group pots were voted the most popular
 - Scaled prizes. £50, £30, £20 - Student Council to canvas their tutors.
 - Explanation about how the ticket system works.
 - To look at giving an extra reward for students who are always here and always have been.
- Are teachers and tutors being consistent?
 - For Key Stage 3 the feeling is that staff are being consistent but for Year 11, it becomes less consistent. Teaching staff to be reminded in Year 11 they still want stamps!

Actions:

- Student Council to discuss in tutor what they would like as the scaled attendance prizes. Responses back by the end of Thursday tutor.
- Map out rewards trips - separate Year 11 for the Summer term and a top extra trip for less students at Christmas as a trial.
- Year 11 Student Council to speak with teachers to help drive consistency.
