

MESSAGE FROM MRS STAMFORD

This week, our Year 7 students have taken part in road safety assemblies, which focused on keeping themselves safe on their journeys to and from school and in the community. We would be grateful if you could continue these conversations at home to ensure the safety of all of our students.

Next week the BBC will be coming into school on Tuesday to build on the great work we already do around careers. They will be running a series of interactive workshops for students in Years 7 to 10, giving them a fantastic insight into the wide range of roles and opportunities within the media

industry and beyond.

We were also thrilled with how well the recent apprenticeship session at Bishop Burton went for our Year 11 and Sixth Form students. It was a valuable chance for them to explore the many routes available after school, and they came away with plenty of ideas and enthusiasm for their next steps. Our students represented the school brilliantly throughout.

Looking ahead, Year 8 students have an exciting visit coming up to the dentistry department at Hull

Royal Infirmary. This is a wonderful way for them to see healthcare careers up close and to be inspired by the professionals working there. Further details will follow soon.

Some advance notice that this term will end on Wednesday October 21st at 12.05pm.

Thank you for your support

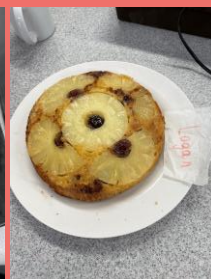

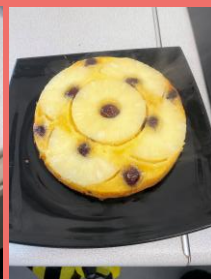

Mrs Stamford.

Head of School.

FOOD TECHNOLOGY

Well done to some of the students in The ARC who have been making some fantastic dishes and desserts. They have been making patatas bravas meatballs and pineapple upside down cake.

Well done everyone! – Mrs Jones

CROSS COUNTRY

Coming up on the 20 October we have the East Riding Schools Cross Country competition. This is a fantastic opportunity for any student who regularly completes the Sewerby Park run, or runs in their spare time that we may not be aware of. Students can sign up at the PE office. – Mr Fairlamb

MRS BONE'S NEWSFLASH

This week I managed to catch the last 20 minutes of our inaugural Under 16s Rugby Match on Wednesday against Hymers School (an independent school from Hull). Our players showed tenacity, technique and determination in abundance and we scored two tries! Whilst the final score didn't go in our favour, Mr Wilson and I were incredibly proud of their performance, character and drive - they didn't give up and came off the pitch with a new sense of confidence. Certainly looking forward to what this team can achieve in the coming months.

On Thursday night Governors approved the introduction of the following addition to the schools Uniform Policy for

players who are part of the Rugby Academy. We are delighted to launch our new Rugby Academy 3/4 Zip Tops, which recognise the commitment and dedication of our Rugby Academy players.

The tops will be awarded to students who demonstrate a strong commitment to playing and training, alongside maintaining excellent attendance and positive behaviour in school. We want membership of the Rugby Academy to represent more than just sporting ability; it is about showing dedication, resilience, teamwork and pride in being part of our school community.

We are incredibly proud of the progress our Rugby Academy is making and the enthusiasm our

students are showing both on and off the pitch. These new tops are a visible celebration of that commitment and provide an opportunity for our players to represent the Academy with pride.

We look forward to seeing our Rugby Academy students continuing to develop their skills, support one another and demonstrate the high standards we expect across all areas of school life.

Well done to all of our Rugby Academy players — keep up the fantastic work!

Mrs Bone

Executive Head

RUGBY ACADEMY 3/4 ZIP TOP

**REPLACES YOUR
SCHOOL BLAZER**

EARN IT • WEAR IT • REPRESENT IT

THE CRITERIA

 ABOVE 85% ATTENDANCE TO RUGBY TRAINING AND FIXTURES	 ABOVE 95% SCHOOL ATTENDANCE	 BELOW 10 BEHAVIOUR COMMENTS	 REVIEWED REGULARLY If you do miss out, but then improve, you are still eligible.
--	--	--	---

IF YOUR ATTENDANCE OR BEHAVIOUR (BOTH TO RUGBY AND SCHOOL) DECLINES, YOU WILL BE EXPECTED TO *HAND IN THE TOP*

You will then need to earn it back through improved attendance, behaviour and commitment to the academy.
